The Rehabilitation of Offenders Act 1974 [Exceptions Order] gives some exemptions from the Act, whereby details of 'spent' convictions have to be declared. One of these exemptions is working with children, young people and/or vulnerable adults. When recruiting people to work in such positions of trust an employer is entitled to ask for details of all convictions, spent and 'unspent'.

Does your background make you suitable to work with Children or Vulnerable Adults?
Yes / No

I wish to be considered for a place on YMCA Global Youth Leadership programme and the information I have given is correct at the date of this application. I understand that I may be working with children and young people under the age of 18 years and I agree to the YMCA Fairthorne Group making such enquiries as considered desirable, including checking with Probation and the Police.

It is understood that any information obtained in the course of such enquiries will be held in the strictest confidence.
